ICT expo

where technology means business

More than 100 exhibitors

50+ free visitor seminars for technical & business professionals

Head of IT Conference

In association with the Irish Computer Society

Discover the latest online solutions in the IIA Innovators Pavilion

ICS Skills Conference & Exhibitor Showcase

LinuxWorld Conference

ICT Expo adds up to a great opportunity to make your business more productive and profitable through the latest information and communications technology. Many exhibitors are unveiling exciting new products in Ireland for the first time.

The event offers dozens of new product demonstrations, a major ICT conference and a full programme of free seminars. Visit the show website for latest schedules and exhibitor information. At ICT Expo, *technology means business.*
